Video Surveillance

Kid's Connection Child Care Center utilizes state-of-the-art video surveillance and digital recording equipment in each classroom and at Center entrances. These cameras may be monitored and recorded activity viewed by The Kid's Connection Staff and/or other parents. This system is in place for the safety and protection of your child as well as that of the Kid's Connection Child Care staff.

I, _____, understand that my child will be monitored and videotaped while at Kid's Connection. These monitors and recordings are for the sole use of Kid's Connection Staff and will not be released for any outside use without additional consent.
